Exam 1 Results

Exam 2 Results

Sorry, but you did not score high enough to pass.

You now have the opportunity to review any and all of the sections throughout this module. The module is 'unlocked' and you can review each section at your convenience. We highly recommend reviewing the content and quizzes to refresh your understanding of the difficult sections before proceeding to the next reliability test. When you are ready, return to your dashboard and click the 'Take Exam' button to begin the second test.
